## WHAT IS JOURNEY FOR TEAMS?

**JOURNEY FOR TEAMS** provides a pathway for veterinary professionals to deepen knowledge of diversity, equity, and inclusion (DEI) and foster the advancement of DEI in veterinary workplaces. To support this purpose, **JOURNEY FOR TEAMS** will deliver ongoing releases of practical, actionable and impactful resources and educational modules – all designed with busy veterinary workplaces in mind!

**JOURNEY FOR TEAMS** content is being written and reviewed by topic experts with real world DEI experience in veterinary settings. Topics presented in the GUIDE and as microlearning modules will engage teams and individuals with focused information and inspire curiosity, reflection, and respectful dialogue. Each 15-minute module is a step in a journey that can change the way you and your team interact with your clients, patients, community and each other, for the better!
