

JOURNEY FOR TEAMS MODULES

JOURNEY FOR TEAMS modules – 15-minute interactive experiences using microlearning techniques – will provide the vehicle for teams to explore, discuss, and better understand DEI topics as a group. The modules will also serve as a great resource for individuals who want to learn more on their own. **JOURNEY FOR TEAMS** modules use video, discussion guides, and goal setting aids to help teams interact with DEI topics in short, organized meetings. **A great resource for team meetings, small groups who want to learn more together or individuals eager to increase DEI knowledge on their own.**

EVERY JOURNEY NEEDS A NAVIGATOR

JOURNEY FOR TEAMS works best for groups when there is a workplace champion committed to downloading content, organizing meetings and facilitating discussion. **JOURNEY FOR TEAMS** will provide resources to support the **NAVIGATOR** in this important role. **NAVIGATORS** are passionate about DEI and are willing to make a valuable contribution. **NAVIGATORS** with the full support of leadership will have the greatest success.

WHAT IS JOURNEY FOR TEAMS?

JOURNEY FOR TEAMS provides a pathway for veterinary professionals to deepen knowledge of diversity, equity, and inclusion (DEI) and foster the advancement of DEI in veterinary workplaces. To support this purpose, **JOURNEY FOR TEAMS** will deliver ongoing releases of practical, actionable and impactful resources and educational modules – all designed with busy veterinary workplaces in mind!

JOURNEY FOR TEAMS content is being written and reviewed by topic experts with real world DEI experience in veterinary settings. Topics as microlearning modules will engage teams and individuals with focused information and inspire curiosity, reflection, and respectful dialogue. Each 15-minute module is a step in a journey that can change the way you and your team interact with your clients, patients, community and each other, for the better!
